Launch and Recovery Service

Winterisation

Maintenance and Anti-fouling

The Windsport “winter storage and service” is specifically for owners of dinghies / catamarans and boats on trailers. Situated right beside the water with slipway launch and recovery access we offer boat-standing and limited under-cover boat storage.

Our storage areas provide access to water and electricity, enabling customers to work on their craft during the winter, a dedicated car park area and technical support.

Special Shrimper Winter Storage Package

Available 1 October 2017 – 31 March 2018 (inclusive) ONLY

Shrimper OPEN - STANDING £560.00

Shrimper UNDER-COVER STANDING £630.00

Price includes 1 car park pass, access to water and electricity for light hand tools (no permanent hook up available).

PULL OUT Service (October – December) £95

Windsport are happy to recover your boat on its trailer at the end of the season using our 4-wheel drive and park it in the storage area, pull out includes a fresh water trailer pressure wash off. We welcome owners to be present during pull out but alternative arrangement can be made with the Windsport team.

Hull Pressure Wash £95

You may decide to ask Windsport to pressure wash your hull to remove excess weed and grime before storing for the winter – we are happy to do this – please call and make arrangements.

Winterisation

Lowering masts and spars , rigging winter covers , winter maintenance, engine service, trailer service and valeting can be arranged, Windsport work closely with a number of small businesses offering these services – please discuss your winter requirements with the Windsport team who will be happy to help you.

SPRING HAS SPRUNG (February – March)

Hull polish for the go faster look! £215

Launch Service (as for Pull Out, boat launch and trailer wash down) £ 95

Summer trailer storage available April – September 2016 £250

Anti-fouling and other services available - Windsport (01326 376191)
