## Liability Declaration

(The term “boat” refers to sailors and their equipment)

1 A boat is entirely responsible for her own safety, whether afloat or ashore, and nothing, whether in the event instructions or anywhere else, reduces this responsibility.

2 It is for the boat to decide whether she is fit to sail in the conditions in which she will find herself. By launching, the boat confirms that she is fit for those conditions and competent to sail or compete in them.

3 Nothing done by the event organisers can reduce the responsibility of the boat nor will it make the event organisers responsible for any loss, damage, death or personal injury, however it may have occurred, as a result of the boat taking part. The event organisers encompass everyone helping to run the event including a race committee, patrol boats and beach masters

4 The provision of patrol boats does not relieve the boat of her responsibilities.

5 Parents or guardians of competitors under 18 yrs are required to take full responsibility for their dependants throughout the event and sign the parental declaration at registration. The person accepting this responsibility shall be present for the duration of the event.

## Recommended on water equipment.

- 1) 10m x tow line
- 2) Mb. phone in waterproof container or similar
- 3) Personal hand flare
- 4) Paddle.
